

Interdisciplinary Graduate Program in  
**Molecular & Cellular Biology**

*Spring 2013 Workshop & Seminar Series*

**"Role of Disabled Protein 2 (Dab2) in the Trafficking and Signaling of Angiogenic Receptors"**

**Shivangi Inamdar**  
(Choudhury Lab)  
Molecular & Cellular Biology

**"Capturing Interactions Relevant to RNA Polymerase II Elongation Control"**

**Kyle Nilson**  
(Price Lab)  
Molecular & Cellular Biology

**Thursday, April 18**

**LOCATION & TIME CHANGE: 1:00-2:00 p.m., 283 EMRB**
